NOTICE TO PARENTS/GUARDIANS GEORGE D LEWIS/MALCOLM MUNROE/RIVERSIDE

Wednesday, March 8, 2017

With the decision to close George D. Lewis School and consolidate at Riverside in a Primary-Eight (P-8) configuration; we wish to provide the following to parents:

- Students registering for Primary at George D. Lewis School will attend school at Riverside and therefore should attend primary orientation at Riverside.
- Students in Grade Five at both Riverside and George D. Lewis will attend Grade Six (6) at Riverside unless they are choosing a French Program, in which case; they will attend Grade Six (6) at Malcolm Munroe Middle School. Should the student make the decision to leave the French Program at any point in Grades Six(6)-Eight(8) they must return to Riverside.
- Students in Grade Five (5) wishing to attend Malcolm Munroe Middle School in the English program must adhere to the Board Transfer of Student's Policy: (<http://www.cbv.ns.ca/home/?q=policies>).
- Parents/guardians of students from the Riverside/George D. Lewis catchment area currently attending Malcolm Munroe by transfer but wishing to return to Riverside should complete the 'Return to Catchment form'.
- Should you have any questions/concerns regarding this matter, please refer them to the Communications Officer (Michelle MacLeod, mmacleod@cbvrsb.ca or by phone 902-562-6476) who will have the questions directed to the appropriate staff for a response.

Sincerely;
